

TWIN TOP EVOLUTION®

The 1+1 technical cork with a non-detectable TCA guarantee*

TwinTop Evo® is the advanced version of Amorim's popular TwinTop® technical stopper, aimed at the popular premium segment, with high-grade natural cork disks at both ends and a micro agglomerate cork body. It is ideal for wines with floral and fruity notes and for a mid-term storage.

Only the finest natural cork is used to produce this elegant technical stopper, which is subjected to rigorous quality control procedures, including Amorim's ROSA HIGHTECH treatment - thus delivering a high-performance stopper that guarantees an exceptional level of sensorial neutrality.*

TWINTOP-EVO® is available in following dimensions:

44 x 24 mm and 49 x 24 mm

Great offer for many reasons:

- ✓ A cork with a non-detectable TCA guarantee*
- ✓ long-term storage of wines possible up till 10 years
- ✓ warranty and food safety
- ✓ Extensively TCA controlled and tested stoppers
- ✓ sterilised natural cork discs exposed to contact with wine
- ✓ competitive price against natural mid quality stoppers
